Q: Hello, there! What comic book is this?

A: This is A+X, the comic where we add one AVENGER plus one X-MAN and get ONE MILLION AWESOMES worth of TEAM-UP ACTION!

Q: Oh, is this sort of like that AVX thing I heard about?

A: NO WAY! That was Avengers VERSUS X-Men! This is totally after that, when they've put their differences aside in favor of being BEST PALS working together to BEAT the PUDDING out of BAD GUYS!

Q: OK, so this has nothing to do with the end of AVX 12 with the Phoenix Force and the--?

A: Nope! Forget all that and just jump in with BOTH FEET for TWO TITANIC TALES of HERCULEAN HEROISM combating VENTURE SOME VILLAINY.

Q: So, who's in this issue?

A: First story has CAPTAIN AMERICA, America's premier SUPER-SOLDIER from WORLD WAR TWO teaming up with CABLE, a TIME-JUMPING mutant soldier of fortune with CYBORG PARTS. You can only IMAGINE how much they have in COMMON!

Q: What about the second story?

A: That one's got HULK and WOLVERINE. You know Hulk, right? Big GREEN guy who gets ANGRY and SMASHES THINGS. Wolverine is a little CANADIAN guy who gets ANGRY and SLASHES THINGS (with his metal claws).

Q: So, where do these stories take place in each character's continuity?

A: STOP THINKING SO MUCH! It fits where it fits! It's enough to know that these stories ROCK! Now, GET READING!
